POWER Youth Funding

Summer Employment Program Projects	Arts + Non-Arts Organizations & Businesses	Funding Available: Up to \$20,000
---	--	-----------------------------------

POWER Youth is a youth work initiative program of the Metropolitan Action Commission (MAC), a division of the Mayor’s Office. As part of its mission to strengthen the creative workforce and deepen artistic participation in Nashville, Metro Arts partners with MAC to provide project-based work experiences in the arts through the POWER Youth Summer Employment Program for young people ages 14-15 during the summer.

The POWER Youth Summer Employment Program is seeking project proposals from Site Partners to engage youth (ages 14-15) in seven-week projects beginning June 6, 2022 and concluding July 22, 2022. Projects should emphasize arts learning, work readiness training, and community development as well as incorporate some form of art/artistic practice (visual, craft, media, music, theater, dance, folk, and/or literary). Additionally, the project should culminate in a showcase or final project that demonstrates outcomes of participation in the program.

Up to \$20,000 in funding will be available. Partners will be required to state the approximate amount of youth they intend to serve with their programming. Suggested amounts are below:

Number of Youth	Suggested Funding Request
7-10	\$7,000 - \$10,000
11-15	\$10,000 - \$15,000
16+	\$15,000 - \$20,000

Failure to serve estimated range of youth workers may result in adjusted final award at closeout and final invoice.

Proposal Review & Funding Decisions

Application Review

Metro Arts staff will review each application to determine eligibility. Ineligible and incomplete applications will NOT be reviewed or scored.

Each application deemed eligible will be reviewed and scored by an adjudication panel. The panel will consist of MAC and Metro Arts staff. Each application will be reviewed based on the stated scoring criteria and the scores will be added together to create an overall application score of up to 25 total points. Scoresheets containing the panelists' notes are kept on file at Metro Arts. You may contact the Youth Program Specialist if you would like to discuss the scores received.

Funding Criteria & Scoring

Application reviewers will use a Scoring Guide to evaluate each application. This guide includes a list of criteria divided in to five main areas: Organizational Capacity/Feasibility, Artistic Merit, Positive Values Alignment, Career Development, and Commitment to Equity. These areas match the sections of the application. A proposal can receive a score of up to 5 points in each area. Successful proposals will demonstrate the following standards:

Organizational Capacity/Feasibility (5 points)

The organization has a minimum two-year history of working with youth and can meet the expectations of a POWER Youth Partner Site Host. The project demonstrates well planned, clearly described and achievable activities. Program outcomes are clear, realistic and measurable. Qualified staff will oversee delivery of the project and provide adequate support to accommodate the number of participants the project seeks to serve. The budget is detailed, clear, and scaled appropriately in relation to the work plan proposed.

Artistic Merit (5 Points)

The project articulates clear, artistic objectives/outcomes and cultural relevance. The project engages professional Artist Teacher(s)/Mentor(s) with a demonstrated arts work history with youth; evidence of strong creative practice and vision; activities planned demonstrate ability to expand on the artistic and/or cultural knowledge of participants

Positive Youth Development Alignment (5 points)

The project implements developmentally appropriate activities that connect youth to arts and work readiness experiences. The project promotes positive youth agency and leadership and fosters an environment that values strategic arts engagement, team building, and confidence.

Career Development (5 points)

Youth job descriptions clearly articulate expectations and align with the project's artistic

outcomes. Participants will learn life and career skills, with an intentional focus on [soft skills](#), that are both arts specific and translatable to being successful in the workplace.

Commitment to Equity (5 Points)

Project exhibits commitment to people who have been historically underrepresented in mainstream arts funding, discourse, leadership and resource allocation; including, but not limited to, people of color, people of all ages, differently abled people, LGBTQ people, women, and the socio-economically disadvantaged.

Project components address the unequal nature of voice, resource allocation and visibility that exist in the arts and cultural ecosystem.

(Applications are subject to a deduction of 2 points if applicant is not in good standing based on previous funding cycles)

Funding Recommendations & Approval

The panelists’ scores will inform funding recommendations. The funding amount will also be based on the number of proposals received and the amount of funds available. Final funding recommendations will be made by Metro Arts and Metro Action Committee staff and will be approved by Metro Arts’ Board of Commissioners. Metro Nashville Arts Commission meetings are open to the public. To find information about upcoming meetings, visit the [Public Meetings](#) section of our website.

Accepting an Award

Award notifications will be sent via the Submittable system to the contact person provided on the application with next step instructions. In some cases, projects may be funded at less than the full request amount. In these cases, applicants will submit a revised budget or have the option to decline the award.
